Case No. 2:11-CV-1154-KJD-CWH

ORDER

12
13 Presently before the Court are Defendant's Motion to Strike (#47) and Plaintiff's Motion to
14 Compel (#50). Both motions involve the issue of damages related to Plaintiff's pending motion to
15 enforce settlement agreement. Final briefing on the motion to enforce is not due until thirty (30)
16 days after receipt of the transcript from the evidentiary hearing concluded on February 21, 2013. The
17 Court has already ruled that it would not consider the issue of damages until it rules on the motion to
18 enforce settlement agreement. Therefore, the present motions are premature. Thus, the Court denies
19 the motions (#47/50) as premature, without prejudice. The Court will refer issues related to
20 discovery on damages to the magistrate judge in the event that it grants the motion to enforce. In the
21 interim, the parties are encouraged to seek independent resolution of this matter.

IT IS SO ORDERED.

22 DATED this 25th day of March 2013.
